John, Holmes, and John,

We have attached proposed edits to the Use of Force, Arrest Procedures, and Training policies to this email. LDF has also reviewed these policies.

We are providing these edits per the District's request for the United States' input on how to bring the District's procedures into compliance with the 2013 Consent Order. We hope to have an opportunity to discuss these proposed

edits with the District and to answer any questions Chief Clayton or Dr. Carter may have about our suggestions. We look forward to continuing to work with the District.

Best,  
Aria
